JOB OVERVIEW
I am a Dietary Aide at SMC. The best part of my job is serving our residents every day and making sure they feel at home.

FAMILY
I am an only child. It is just my mom and me right now. My dad passed away last October, but I still feel his spirit around me.

SOMETHING I'D LIKE TO ACCOMPLISH
I want to finish my college degree and one day be certified Dietary Manager (CDM).

FAVORITE MOVIE
Princess Diaries

SOMETHING NOT EVERYONE MAY KNOW ABOUT ME
I am half Canadian. My mom is originally from Dauphin, Manitoba, Canada. I have dual citizenship!

Tropical visitor!

Scatter Joy Acres visits our facility monthly with a different animal to provide interaction and smiles for the residents. This month we had a visit from **Pretty Bird the Parrot**. The ranch which is located in Murray, Nebraska, provides a home for rescued animals. "On the ranch, each animal has a name, a story and a significance, which is demonstrated in warmth and love they share with every person they encounter. The interactions animals share as they meet with people are simply amazing." We are fortunate to be able to have this experience at SMC Long Term Care.

SMC Foundation broke ground for a **WALKING PATH** at our main campus last September. With the help of our generous Foundation, SMC employees, and community, the paved wheelchair-friendly walkway around the building was completed at the end of 2022. As funds are received, landscaping will be added to the walking path this spring and summer. Please consider giving a gift toward the final touches on our walking path or stopping by to enjoy it with a friend.
